

IN HONOR OF THE BEN DAVIS  
BOYS' TRACK AND FIELD TEAM,  
2008 INDIANA STATE CHAMPIONS

### HON. ANDRÉ CARSON

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. CARSON or Indiana. Madam Speaker, today I rise to offer my congratulations to the Ben Davis boys' track and field team. The Giants were crowned Indiana state track and field champions on May 31, 2008 at Indiana University in Bloomington, Indiana.

This is the first time that the Ben Davis boys' track and field team has captured the state championship although they have been state runner-up in 2000, 2002 and 2007. With this victory Ben Davis athletic teams have compiled one of Indiana's most impressive records, winning a total of 22 state championships since 1962.

This year's team was led by a strong class of 23 seniors. Rapheal Williams and LaVarus Williams, along with juniors Colin Hester and Matthew Terrell gave an impressive team performance at the championship meet by taking first place in the 4x100 meter relay. Matthew Terrell also achieved individual success, finishing first in the 200 meter dash and securing his place as the 2008 Ben Davis Varsity Points Leader.

This team's achievements would not have been possible without the support of a wide variety of coaches and school officials. Head Coach Mike Davidson, in his 17th season of coaching at Ben Davis, and his assistant coaching staff provided the players with guidance both on and off the track. Additionally, all the Ben Davis fans, and in particular the always energetic student body, should be recognized for their enthusiasm and pride in the team.

Today, I ask my colleagues to join me in offering congratulations to the members of the team, the coaching staff, the school, and the greater Indianapolis community on their accomplishments throughout the season.

TO HONOR WILLIAM ANTHONY  
CARGILE

### HON. NICK LAMPSON

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. LAMPSON. Madam Speaker, I am honored to stand here today to praise the distinguished service of Mr. William Anthony Cargile. Through his service as a Volunteer Firefighter in the Santa Fe Fire and Rescue, he has distinguished himself from his colleagues in a variety of ways. At the age of 14, Anthony (as he is known to his friends and colleagues) started his volunteer firefighting career as a junior fireman. Thirty years later he continues to serve his community not only as a volunteer firefighter but in a number of other roles as well.

Anthony's firefighting credentials are impressive. He holds an Advanced Firefighter Certification as well as a Level II Instructor's Certification from the State Fireman's and Fire Marshal's Association of Texas. Along with serving as President of the Gulf Coast Firemen's

Association from 1999 to 2000, he has served as the Training Commissioner for the Galveston Firefighter's Association from 2001–2003 and Coordinator of the Galveston County Field Day in 2003.

A fitting example of Anthony's character was his effort to establish an Honor Guard for the Santa Fe Fire and Rescue. Anthony did all the necessary research, received approval from his superiors and even designed and assembled the uniforms. Because of his tireless endeavor, he was able to successfully assemble the Honor Guard in 2004, which has performed admirably in a number of ceremonies. As another sign of Anthony's service to the firefighting community, he has received Fireman of the Year from the Santa Fe Fire and Rescue twice, in both 2000 and 2007, and was chosen as the Firefighter of the Year in 2008 by the State Firemen's and Fire Marshal's Association of Texas.

Consequently, it is not surprising that he was nominated for National Firefighter of the Year, an award given by the National Volunteer Fire Council.

Anthony is a model citizen and a true public servant. His actions have distinguished him in his community and the 22nd District of Texas is proud of its son.

THOMPSON

His partnership philosophy and demonstrated ability to work with diverse stakeholders will be missed. As he embarks on a new chapter in his life, I wish him continued success and good luck in all his future endeavors.

TRIBUTE TO DICK RUTAN

### HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, July 31, 2008

Mr. MCCARTHY of California. Madam Speaker, I rise today to honor Richard Glenn "Dick" Rutan, an aerospace pioneer, as he celebrated his 70th birthday on July 1, 2008.

Dick was born in Loma Linda, California, on July 1, 1938. At a young age, Dick developed an avid interest in piloting. By the time he turned 16, Dick was earning both his driver's license and pilot certificate. Dick has always had a passionate thirst for learning, thereby leading him to join the Air Force Aviation Cadet Program at the age of 19 and later receiving a commission as a Lieutenant. Dick went on to obtain a Bachelor of Science Degree at the American Technological University through the Air Force Professional Education "Boot Strap" Program.

When the Vietnam War broke out, Dick established himself as a brave, highly competent, and rigorous leader. As a Tactical Air Command fighter pilot, Dick flew 324 combat missions, 105 of which were as a high-risk classified operation known as the MISTY's. The many achievements Dick accomplished while serving in the Air Force merited him the Silver Star, five Distinguished Flying Crosses, 16 Air Medals, and the Purple Heart.

After Dick's retirement, he joined forces with his brother, Burt Rutan, as the Production Manager and Chief Test Pilot for Rutan Aircraft Factory. He is widely recognized for his successes involving the world speed and distance records set in the Long-EZ, an airplane designed by Burt. To honor Dick's many achievements in record-setting flights, he was awarded the prestigious Louis Bleriot Medal by the Federation Aeronautique Internationale.

In 1981, Dick expanded his wings even further to found Voyager Aircraft, Incorporated and settle in the history books by completing the first-ever around-the-world, non-stop, non-refueled flight. Nine days, three minutes and forty-four seconds after Dick and his copilot Jeana Yeager took off, he landed at Edwards Air Force Base in California. The plane he piloted in this successful quest is now suspended in the Smithsonian National Air and Space Museum's "Milestones of Flight" gallery in Washington, D.C. President Ronald Reagan awarded Dick and his team with the Presidential Citizens Medal, four days after the team's outstanding feat.

Time and time again, Dick has delved into projects that allow him to expound upon his knowledge and share his expertise and adventures with others. These have included a sightseeing airplane trek to the North Pole, the
